

# GABRIELLE GARLAND

NEW YORK, NEW YORK – MILES McENERY GALLERY is pleased to announce representation of Gabrielle Garland.

New York-based Gabrielle Garland's paintings explore the concept of the home. Through both domestic exteriors and interiors, her personality-packed compositions take on an air of portraiture, albeit void of human figures. Rendered with undulating lines, skewed perspectives, and eclectically vibrant palettes, Garland personifies each unique architectural space, prompting the viewer to establish one's own assumptions surrounding the inhabitants. At their core, the works present the timelessly innate human desire to make a place a home.
