NEW YORK – Miles McEnery Gallery is proud to announce *All Bangers, All The Time*, a group exhibition of works by over 50 gallery artists commemorating the 25th Anniversary of Miles McEnery Gallery. The exhibition opens Saturday 14 December 2024 and will remain on view through 25 January 2025 across all four of the gallery's 22nd and 21st street locations. The most ambitious exhibition to date, *All Bangers, All The Time* represents the gallery's program and vision.

The exhibition takes full advantage of the gallery's expansive footprint; with over 25,000 square feet across four locations, each space offers a unique curatorial lens, which celebrates the artists who have shaped the gallery over the past 25 years. *All Bangers, All The Time* underscores the vision of the gallery as a steward for new and established voices in the contemporary artistic landscape.

ABOUT THE GALLERY – Miles McEnery Gallery is a leading contemporary art gallery with four locations occupying 25,000 square feet in Chelsea, New York. Since its inception in 1999, the gallery has grown physically and conceptually, currently representing over 50 multigenerational contemporary artists of diverse backgrounds, media, and practices. The gallery provides a platform for critically acclaimed artists, as well as global mid-career and emerging talents.
